Assessment of Risks Applicable to the FWCC Club Run Route Known as 'East Dean'

Overview

This Tab assesses the risks specific to the 'East Dean' FWCC club run route and should be read in conjunction with the generic club run risks Tab
This route is one of the longer routes and is used generally by the intermediate and fast groups

Route Description

The route heads East from Wickham on the B1277 to Southwick, Bedhampton and Havant. It uses the foot/cycle bridge on Third Avenue and continues through Denvilles and Westbourne
The route then heads North to Racton, Lordington, West Marden and Compton where it heads East to North Marsden and then South to the White Horse at Chilgrove.
The route then continues on lanes to West Dean and joins the A286 to Singleton, and then turns East to East Dean and then South to Westerton before heading West to Lavant
From Lavant the route continues West to West Stoke, Funtingdon, and Rowlands Castle. It then heads North to Finchdean, Chalton, and the Hamphire Hog PH
The route continues on to Clanfield, Hambledon, Newtown and Hundred Acres before returning to Wickham.
